

Convenience

Convenient document clip and stationery drawer

- Document folder and notepads are attached on the side of the operation cabinet. Operators can put the work order or important data on the folder.
- The stationery drawer is located on the back of the document folder. Operators can put the stationery, discs, or IC card inside for easy management.

Convenient service access

- Centralized air compressing system and lubricating system is easy for repair and maintenance.

User friendly desktop operation box

Tool shelf and tool cabinet

- Operators can use the tool shelf attached on the side or back of the machine to store the tools temporarily.
- A tool box is placed under the tool shelf to store the material for machine maintenance.

Accessibility

Extra-wide front door

- Extra-wide door, easy for loading/unloading the parts or jigs to/from the machine.

Extra-large side window

- Wide windows on both sides of the machine, easy for installation and cleaning.

Worktable Accessibility

Easy access to the worktable

- Short distance between the operator and worktable, easy for operation inside the machine.
- Shortens the distance between the front of the machine and the worktable.
